

YOUR ASSOCIATION HAS CHOSEN ECO BILLING!

WHAT DO I NEED TO KNOW?

Your association has gone green with Eco Billing! This billing preference allows you to view and pay your bill online - saving you and your association money! Instead of receiving a paper bill or coupon booklet, an eStatement will arrive in your email with instructions for payment.

- ✓ Stay connected online in your owner's portal. Setup one-time or recurring payments and find the most up to date information about your association and your account.
- ✓ eStatements will be sent to the email account on record approximately 10 days prior to the due date.
- ✓ Paper statements or coupon booklets will not be mailed to homeowners. Statements can be viewed and printed in the owner's portal.
