2. Attendance.....Tammi

3. MIBI .....Jennie

4. Closing/Reminders.....MBC

A Thanksgiving Message

A little kindness, a modest share,
Can lift a heart from deep despair.
A single gift, though small it seems,
Can kindle hope and brighten dreams.
One helping hand, one thoughtful deed,
May be the comfort someone needs.
For when we give what we can spare,
Our little becomes abundance there.

Members, during this season may your hearts be filled with the love of your family and kindness and thanksgiving for others.
