TOURNAMENT:
Desk duties have been assigned with the exceptions of June, August and September. Assignments are listed at the bottom of the minutes.

There are three special tournaments coming up:

Member/Member is scheduled for Nov 2nd and 3rd and dinner will be served for this event
BFA is scheduled for Nov 10th. Invitations will be sent to STMGA, STLGA, Duffers and Lady Niners. Due to a Garden Club event, the after round reception will be held at the MAC and snacks will be served. Assuming that gift packages will be donated, they will be auctioned off. Last year we donated $5800.

Team Match Play tournament is scheduled for December 8th and the after round reception will also be held at the MAC and snacks will be served for this event.

There was some discussion about the number of rounds played last year which was down from 3100 to 2500, partly due to weather, no late sign-ups and no single play rounds for multi-round tournaments.

There was some discussion about reaction to the Blended Tees and of the golfers pooled, the reaction was positive. When Nick meets with Jimmy Biggs, he will discuss the location of Red tees on Byrd 3 and Jones 8
Also mentioned was the fact that during the Club Championship and subsequent Championship rounds there was no SKINS competition. Also brought up was the Tie Breaker for the Senior and Super Senior Championships. No action on these was taken by the board.

WEBSITE:
Other than John Olson's name being on the Welcome letter and John Christy's email listed for QandA, there was nothing to report.

WELCOMING/MENTORING:
The new home owner letters went out and all subsequent welcoming letters will be handled by Eric.

SOCIALS: As noted above, snacks will be served for the BFA and Team Match play. Dinner will be served for the Member/Member
The amount of food for the Annual dinner was sufficient and the caterer that provided the meal was great to work with.

HANDICAP:
Nothing to report

AWARDS / TROPHIES:
Steve took all remaining trophies from Ray Mercer and will see if Jack Lambert might continue to help order and purchase items.
Steve will put in a request for a storage locker.

NEW BUSINESS:
A proposal was circulated pertaining to the current format of the Club Championship occurring in the same week to a Monday, Tuesday, Tuesday format and possibly add skins and possibly dinner. Curt asked that we review the proposal and email him with any suggestions and he will present a more defined proposal at the meeting next month.

The question was asked whether STMGA has a site where everything is documented since as the board changes hands, certain information can get lost. Curt is willing to head up looking at this in further detail.
